Dress Standard

We have the right to ask any camper to change clothes if they do not comply with our dress standard. These are the standards that we have adopted for our week together, and we ask for you to cooperate with an attitude pleasing to the Lord.

Modest shirts are required: if the sleeves have been removed, the body of the shirt must remain intact. No tank tops, spaghetti straps, low-cut or tight-fitting shirts are allowed. Undergarments **must not** be visible.

Clothing **must not** display or promote ungodly living such as alcohol, drugs, tobacco, or vulgarity.

All **Shorts** must reach at least the middle of the thigh even while seated.

During water activities, mid-thigh shorts and dark shirts are **required**.

Shoes are **required** when you are outdoors (except during waterslide and volleyball). Flip-flops are not acceptable footwear for the river. Some activities require sturdier "closed toe" shoes.

The same standards apply for dresses.

In the event an outfit is questionable, a camper may be asked to change. We encourage your cooperation as we "consider how we may spur one another on toward love and good deeds (Heb. 10:24)".
