CAMP SCHOLARSHIP PROGRAM

2020-2021

We are so excited that you have chosen to be a part of our Camp Scholarship program this year! If you have not yet registered, please do that online now at www.bibleimpact.org. **The only way to be able to earn a scholarship is if you are registered by December 1, 2020.**

Let's go over a few guidelines before you begin.

#1 - The **verses** in this pamphlet have been preselected for you to memorize **this year**.

If this is your first year in our scholarship program, the list of 200 Bible Basics verses are the ones you will be memorizing. But don't worry. If you are unable to finish them during this school year you may continue to work on them until you have completed them (even if that takes several years). Once you have finished **all 200 verses**, you will be awarded a **full scholarship** (\$249) to Resident Camp.

For those who have already completed the Bible Basics verses in the past, the list of 100 verses is for you. Please remember that we have 4 rotating lists that we use, so you will need to memorize the list from this brochure this year. These verses will need to be completed by **May 15th** in order for you to earn a \$100 scholarship to camp in 2021.

#2 - If you are working on our age appropriate **correspondence courses** (to earn a \$149 scholarship), please remember to **return each booklet as soon as it is completed**. We need to have time to grade them and return them to you for correcting (if necessary). Remember, you can only earn the scholarship if you get a satisfactory grade on each of your booklets. If you combine the correspondence courses and the 100 verses, you will earn a full scholarship (\$249) to Resident Camp. **This scholarship must be used during the 2021 summer camp season.**

#3 - Don't forget, the deadline for **completing all correspondence and memory work** is **May 15th**. If your work is not postmarked by that date you **will not be eligible** for the scholarship.

Please feel free to contact us if you have any questions!
